NEW FREIGHT POLICY
Effective February 1, 2017

Nationwide - Outside our Local Complete Medical Truck Delivery Area

FREE FREIGHT* with $400 order

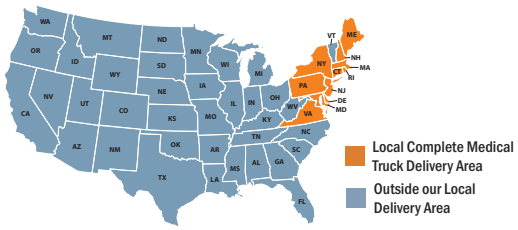

***Complete Medical Supplies will pay standard shipping charges on orders $400.00 or greater within the continental United States, some item exceptions apply.** All items in our Specialty Catalog are included in this freight policy, however, there are items from our extensive full line catalog that are excluded from our free freight policy. For orders under $400.00, freight will be billed at our UPS discounted rates, not UPS published rates - we pass on our UPS volume discount.

For orders over $400.00 comprised of free freight items and plus freight items: Plus freight items will be invoiced with only their discounted freight, while the free freight items will have no associated freight charges. Orders placed on Complete-Connect™, found at www.completemedical.com, clearly show which items are coded as plus freight items.

MOTION ACTIVATED ILLUMINATION

Bed Light - Complete Dimmable LED Kit

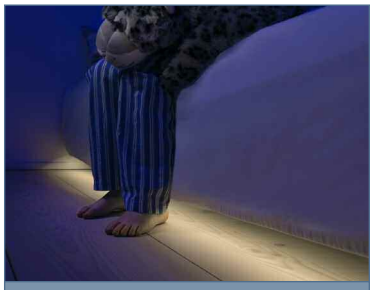

Item # 19068 with Single Sensor

Item # 19067 with Double Sensor

- Features a smart motion sensor which detects both light and movement in darkness, giving you light only when you need it
- Getting up at night becomes effortless with light designed to turn on and off without fumbling to find a light switch
- As your foot touches the floor, the room is softly illuminated to guide you gently and safely through the room
- A warm soft glow of light when you need it, with no disturbing glare to wake others
- Intelligent lighting - motion sensors activate only in low light and darkness
- Dimmable
- Bed light can be installed simply, quickly and without any tools
- Sensor can be adjusted to stay on for as long as you need it - from 30 sec.-10 min.
- Designed to be placed in a wide variety of places throughout the interior of your home, such as: Under your bed or home hospital bed, under the bathroom vanity ... or anywhere a little extra light is needed at night...
- Your bed light includes everything you need for set-up: light and movement sensor (s), two 5' LED strips, power supply, and two cable clips to easily hide cables
- Low energy usage - this LED product consumes 7.5 W to generate the same light as a 25 W incandescent bulb
- Long lifetime - LED last up to 30 years based on average activation of 1 hour per day
- 2 Year Limited Warranty

Kit includes everything needed for set-up in a beautiful retail box
